

REMARKS

This application has been carefully reviewed in light of the Office Action dated April 17, 2006. Claims 1, 3, 4, 9, 10, 12, 13, 15 to 46, 63, 65 and 67 to 70 are in the application, and Claims 1, 9 and 12 are in independent form. Reconsideration and further examination are respectfully requested.

Applicants thank the Examiner for his indication of allowable subject matter. In response to the formal objections lodged against the application, the following actions have been taken.

The specification was objected to for reciting "CFO 12088US" on page 1 and for omitting "08/863,047" from the upper right corner of each page. The term "CFO 12088US" has been deleted from page 1, and the term "08/863,047" has been added to the upper right corner of each page.

An objection was lodged for referencing "CPU" as element "202" in the specification but "201" in Figure 2, and for referencing "disk" as element "104" in the specification but "204" in Figure 2. The amendments at page 2 of the December 23, 2004 Amendment are seen to attend to these objections.

The specification was also objected to at page 21, line 6. The phrase "901, 902, 904, and 907" has been amended to "S901, S902, S904, and S907".

It was alleged that the terms "3000" and "FD" of Figure 16 are not described or referenced in the specification. The amendments at page 4 of the December 23, 2004 Amendment are seen to attend to this objection. In this regard, the paragraph beginning at page 32, line 3 of the specification has been further amended to correct a typographical error.

The drawings were objected to for allegedly omitting element "607". The amendments at page 3 of the December 23, 2004 Amendment are seen to attend to this objection.

An objection was lodged for including a hyphen between "document" and "set" for elements "1102, 1106, and 1007" in Figure 11, but not including a hyphen in the specification. The amendments at page 4 of the December 23, 2004 Amendment are seen to attend to this objection.

No other matters being raised, it is believed that the entire application is fully in condition for allowance, and such action is courteously solicited.
